Examiner, Art Unit 2452

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

The examiner conducted a telephonic interview with applicant's representative, Keiko Ichiye on 4/6/2009. Ms. Ichiye indicated that she had not received the non-final action that was mailed on 10/6/2008. The examiner noted that the address of record was for a previous firm and that if she filed a petition to revive, she would also have to file a change of address.
